

Zachary Elementary School
2009 Summer Reading List
Grade 3

Dear Parents,

Students entering third grade next year will be required to read at least three books this summer. One book must be fiction, one non-fiction, and the last book may be a book of your child's choice. Please encourage your child to read as many books as possible this summer. This will help them get off to a good start next year! Please have your child fill out the chart at the bottom of this page as a record of the books he/she read over the summer.

Sincerely,
Third Grade Teachers
